

Santa Cruz Organization for Outreach
in Physics presents...

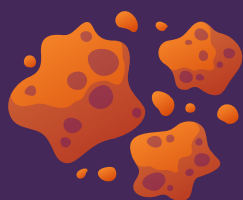

Dumb Questions Night

Come grill physicists about all those questions you've always felt were too 'dumb' to ask, and enjoy Abbott Square!

Tuesday, April 18th, 2023, 7-9pm

Abbott Square Market

725 Front St, Santa Cruz, CA 95060

DOES THE UNIVERSE
HAVE AN EDGE?

Check for
updates here:

WHAT IS QUANTUM
INFORMATION?

IS DARK MATTER
DARK?

WHY IS THE SKY BLUE
AND NOT ORANGE?
