

Santa Cruz Organization for Outreach
in Physics presents...

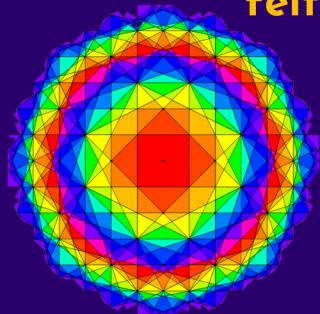

Dumb Questions Night

Come grill physicists about all those questions you've always felt were too 'dumb' to ask, and enjoy Abbott Square!

Tuesday, April 9th, 2024, 7-9pm

Abbott Square Market

725 Front St, Santa Cruz, CA 95060

HOW CAN "DARK"
MATTER BE A LENS?

Check for
updates here:

WHY DON'T SURFACES
JUST STICK TOGETHER?

DID WE EVER LOSE A
PLANET?

DO GALAXIES EVER
BREAK APART?

David Lederman
"The Topological
Troubadour"
Condensed Matter

Stefano Profumo
"Master of the Dark Side"
Dark Matter

Ruth Murray-Clay
